

## Anniviers Horseshoe Tour

*View of Arete Blanc – Day 4*

The ultimate ski tour of the Val d'Anniviers. This ski tour follows the natural horseshoe circuit of the Val d'Anniviers, starting in Grimentz and finishing in Ayer. I've put together this route because it combines some of the best ski touring in the area.

**Day 1** - Warm up in the GZ off-piste and head to the Cabane Becs des Bosson for aperitif, dinner and overnight.

**Day 2** - Head to the Cabane de Moiry via the Basset de Levron and perhaps a summit above Evolene.

**Day 3** - Descend the SE couloir of the Pigne de la Le to the Zinal Glacier and up to the Cabane de Mountets.

**Day 4** - Traverse the Arête Blanc to the Blanc de Moming and descend to the Cabane de Arpitettaz.

**Day 5** - Traverse the Col de Millon and ascend to the Cabane de Tracuit, ski either the Bishorn or Tete de Milon.

**Day 6** - Descend the head of the Turtmann Glacier and ski out to Ayer via the Col des Arpettes.
